Team Coaching Program | Prices and Savings

8 weeks • 16 team sessions • 90 minutes each • 24 training hours

Team coaching option	Per player	20-player team	Savings per player*
One coach	\$500	\$10,000	\$100-\$450
Two coaches	\$600	\$12,000	\$250-\$500

Prices cover the full 16-session program. One coach: \$31.25 per session or \$20.83 per training hour per player. Two coaches: \$37.50 per session or \$25 per training hour per player.

*Savings compare our actual prices with planning estimates of \$600-\$950 per player for one coach and \$850-\$1,100 for two. They are not previous selling prices or verified competitor prices.

Informational value comparison

Coaching lineup	Estimated value per player	Illustrative fee
Iggy Fernandez	\$600-\$800	\$695
Samuel Caceres	\$700-\$950	\$795
Iggy + Samuel	\$850-\$1,100	\$995

Estimates dated October 1, 2026 assume 20 adult players, field access included and every selected coach attending all sessions. Illustrative fees are planning examples, not checkout prices or guaranteed market values.

Coaching for your team

One coach works with the team on technical foundations and team habits. Two coaches can organize training stations and provide more individual feedback. Illustrative station ratios: 20:1 with one coach or 10:1 with two.

Preregister with UANYC

A team organizer or player can submit their name, phone and email. An admin will discuss your team and confirm coaching, schedule and field arrangements. The \$65 SC Fall Field Rental Fee is separate from these program prices.
